Deputation Director and Church Planting Representative for Asia December 2022

Dear Pastors, partners, and friends in the ministry,

Merry Christmas!! What an excellent time to celebrate Jesus, but then again that is true every month 😊 The month started off at a North Carolina college, we had a great World Evangelism Fellowship, enjoyed Thanksgiving with friends, preached, and sent off missionaries to Asia.

The month began representing Vision Baptist Missions at Ambassador College in Lattimore, NC. It was a wonderful time meeting and encouraging students interesting in the ministry. I was able to explain how Vision Baptist Missions could help them

reach the mission field prepared and ready to plant churches or assist in planting churches. I appreciated the college giving me the opportunity and the other mission boards. Grateful for how God is working in many different organizations to reach the lost around the world.

We at Vision Baptist Missions put on the World Evangelism Fellowship at the beginning of the month.

It was an excellent time of hearing from three great preachers in the main sessions, several other pastors, and ministries in between. It was a

blessing to be part of the team putting on an event to encourage pastors and laymen to get more involved in reaching the world for Christ.

Thanksgiving week was a blessing at Vision Baptist Church and with friends celebrating all the many

blessings of the Lord. The Sunday before and after, we were at two churches in Georgia and Alabama. I was thankful for the opportunities to preach and update on the ministry.

This month we had a sending service at Vision Baptist Missions for a family going to Asia. It was such a blessing, as Covid had prevented this family for almost three years from reaching their field. Then on the last day of the month, we drove them to the airport and said our goodbyes. It was a long time coming, however they are now on the field in a creative access country. We praise the Lord for getting them there safely and for all He will do through this family.

I would like to invite all to come to the Our Generation Summit on December 29-31st. It is a conference all about missions and is a great time to see how each of us can be more involved in world evangelism. Sign-up today!!
