Deputation Director and Church Planting Representative for Asia

February 2023

Dear Pastors, partners, and friends in the ministry,

In January, we started a new semester training future missionaries, as well as prepared and sent more people to the field. Lastly, we had a Youth for the Gospel event.

This month was the start to another semester at the Our Generation Training Center. It was a great beginning! Rebecca and I are enjoying teaching. We both teach Deputation and Personal Finance, as well as I teach Old Testament History and Pastoral Epistles. We continue to work hard as an organization to improve processes, content, and the environment for the students to be equipped for the mission field.

One of jobs in my role as Deputation Director is performing a launch interview with those getting ready to leave for the field. The purpose of the launch

interview is to make sure everything is in order for them to leave and for VBM to have all the necessary information for helping them in case of an emergency on

the field. We had **four** of these in January, which is very exciting!! We are so thankful to be sending more

missionaries to the field to begin the process of planting more churches around the world. We know if a

community has a church, they have a chance to hear the greatest message of all time. Also, two of those families we were able to help at the airport. It is a

blessing to be there for a family when it is their first time is going to the field. They are filled with many emotions, and we can help ease some of the stress.

Thank you for praying for the Youth for the Gospel (YFTG) on January 21st in Kingsport, TN!

We were thankful for those that came out to hear the preaching. It was a great time of fellowship, preaching, and being stirred in heart and mind

to abound more and more in the work of the Lord. We have several more these events coming up this year. Go to this website for more information. Let us know if your church would like to host one: <https://visionmissions.org/y4g/>

Praises and Prayer Requests:

- Praise God for more missionaries to the field!
- Praise God for the young people at the YFTG
- Pray that God would use us to raise up more laborers for Asia this next year
- Pray the YFTG events coming up June 3rd in NC
- Pray for the interns and those on deputation

Thank you for your partnership!

Sincerely in Christ,

Ty and Rebecca Pepperdine
