Deputation Director and Church Planting Representative for Asia August 2022

Dear Pastors and friends in the ministry,

The month was full of instruction, an international missions' trip here at home, sending off another missionary to the field, a great marriage retreat, and celebrating our wedding anniversary.

This month Rebecca and I continued teaching in the Our Generation Training Center (OGTC). As well, we took some students to minister in a local church for Sunday morning services.

In the middle of the month, we had the World's Cheapest Missions Trip (WCMT). It was a trip in Atlanta taking young people around to different religious sights. They were exposed to different beliefs. They saw and heard first-hand how there is no hope in these different religions and how even after working to do good works in their life, there is no guarantee of eternal life. In Christ, we have that hope, the Bible was written so we might know we have eternal life and that we have it through Jesus Christ. It was eye opening and many surrendered to take the hope they have of eternal life to the world. It was a fantastic time and I trust God used this week to affect the future eternity of many around the world.

On July 19th, we sent off another missionary. A few of us took Tracy Paver to the airport as she left for Chile. We know that Chile will

be blessed and encouraged by her ministry down in Santiago.

The last week of the month we had our annual marriage retreat. It was a very

encouraging time and was good to be encouraged in our marriages, as well as spend some time with the other

missionaries. We were greatly encouraged by Pastor Derek and Mrs. Lawrence from Victory Baptist Church in Lawrenceville, GA.

On July 30th, we celebrated our 29th wedding anniversary. God has been good to us. We have been through many wonderful, blessed, challenging, and adventurous times over our 29 years. In all of them God has been faithful to grow us, protect us, and use us for His glory.

Praises and Prayer Requests:

- Praise God for a great WCMT
- Praise God for our 29th anniversary
- Pray for God to continue working in decisions made during WCMT
- Pray for finish of summer semester
- Pray for more laborers – time is short!

Thank you so much for your partnership!

Sincerely in Christ,
Ty and Rebecca Pepperdine
