## Deputation Director and Church Planting Representative for Asia

### September 2022

Dear Pastors, partners, and friends in the ministry,

We finished up a semester teaching at the Our Generation Training Center (OGTC) and began preparing for the fall semester, preached to young people, encouraged some churches, and got to visit our new granddaughter.

Rebecca and I finished up the summer semester teaching a fine group of college students. We had many that finished this semester and will now begin their internships.

We are excited for them, although it was a bit sad to not have the

opportunity to teach them anymore. Soon after finishing up, we both began preparing for the next semester of teaching Personal Evangelism. I will also be teaching a doctrines class and one on deputation for last semester students. We thank the Lord for a good finish and pray His hand on the new semester.

We were also able to visit one of our supporting churches in Virginia, as I was invited to preach all their services on Sunday. It was great to see them all again and encourage them in the Word. Grateful for the fellowship and perseverance of these dear saints. Also, another church invited us in to challenge their youth and congregation to consider getting the gospel to Asia.

As mentioned previously, our oldest daughter and her husband had our second granddaughter, Kelsey in June. We were able to go visit them in Argentina and

meet her this last month. She is a blessing and we enjoyed seeing her and spending time with the rest of the family. Lucy, our first granddaughter is getting big, and we had lots of fun with her.

Robert and Emma were wonderful hosts, and they are doing great adjusting to

the culture and learning the language in preparation for church planting in Argentina.

Also, we were able to see the Bateman family. God is really blessing their ministry of church planting and training men. Many are getting saved and growing in the Lord. They are doing an incredible job and are wonderful mentors for the Becker's. Shawn had Rebecca give her testimony and allowed me to preach at a church service and a youth

service; it was awesome. We met so many wonderful people

who opened their homes up to us in food and fellowship, despite our Spanish inabilities.

### Praises and Prayer Requests:

- Praise God for the work in Argentina
- Pray for God to stir the hearts of young people that have been recently challenged.
- Pray for the start of the new semester.
- Pray for more laborers – time is short!

Thank you so much for your partnership!

Sincerely in Christ,  
Ty and Rebecca Pepperdine
