## Deputation Director and Church Planting Representative for Asia

March 2023

Dear Pastors, partners, and friends in the ministry,

Greetings! Thank you for praying and partnering with us. We can continue serving God in this unique role of raising up and training more missionaries because of you! It is hard to believe it is almost spring. I know in some areas it cannot come soon enough. We went to two supporting churches to preach on missions, sent two more missionaries out, had several future missionaries visit the training center, and I had a birthday.

I was able to fly out to Austin, Texas, the third weekend of the month to preach at a mission's emphasis day at one of our supporting churches. It was a great time of encouragement and blessing to be used by God to stir hearts to do more for church-planting missionary work worldwide. I enjoyed reconnecting with the pastor, his family, and the church. On the fourth weekend, Rebecca and I were able to go up to another supporting church in North Carolina and kick off their missions conference by preaching all day on Sunday. It was a blessing to reconnect with them as well. We are very blessed to have such great friends in the

ministry and to be able to share the Biblical mandate and needs around the world.

This month we had several prospective students come and visit campus. It was wonderful to show them around. We are praying that God will allow us the privilege of helping them as they step out in faith in the next step toward planting churches around the world.

Also in February, we had the privilege to send out two more missionaries and even better, they both were going to Asia. It was

wonderful to take the Smiths and the Looneys to the airport, as they begin their next step in church planting in Asia. God blessed and we were able to get them both off and they have successfully arrived and begun setting up houses in Asia.

Lastly, I turned another year older, which is always a wonderful time to thank God for giving me life and reflecting on His goodness. I am very blessed to have Rebecca as my wife; she truly completes me and helps me in so many ways. I am very blessed to have two wonderful daughters and sons-in-law, as well as two special granddaughters. God has blessed me with wonderful friends from all over the world and family that has been such a blessing to me.
