## Deputation Director and Church Planting Representative for Asia

April 2023

Dear Pastors, partners, and friends in the ministry,

Happy Resurrection Month! It is so wonderful to celebrate the resurrection of Jesus. I trust you had an excellent time rejoicing in the fact: He is alive!!! We had a great month at the training center, a time of prayer for the nations, the opportunity to visit a college to present the need around the world, able to preach locally and out West, as well as help Rebecca's parents move into their new home.

We had several young people visit or call the Our Generation Training Center (OGTC), as they are praying about how to be equipped for missions. It is exciting to see how God continues to call laborers. Rebecca and I continue to enjoy teaching the young people along with the other teachers preparing them for future ministry.

At the first of the month, our church had a time of prayer for many aspects of the ministry. I was able to lead a group in prayer for the nations. Jesus asked us to pray for laborers

and I was thankful for those that joined us in praying for different countries,

more laborers, and those already serving. Time is short, please join us in praying for more laborers.

A couple of students, another missionary, and I were able to go to Pensacola Christian College this month. We had the opportunity to visit with many students desiring to be missionaries throughout the day. It was a blessing to explain how we can help them reach the field.

In the evening, we preached to a group of students explaining the great need for more missionaries. It was a great day, and we appreciated the opportunity.

It was a blessing to preach in a Chinese church in the Atlanta area this month. The church had me in to preach for the English services. It was a huge opportunity, as the English service is mostly young

people. I was able to preach and encourage them to consider reaching Asia with the gospel.

Lastly, we were able to go out and help Rebecca's parents (mom and stepdad) unpack in their new home in Utah. We were grateful to get to see them and Ty's parents (dad and stepmom). While we were there, we got to encourage a fellow missionary family from Georgia who planted a church there. The Howard's are doing a great job and it was wonderful to see them and how God is using them.

He invited me to teach Sunday School, which was a huge blessing.
