Deputation Director and Church Planting Representative for Asia

July 2023

Dear Pastors, partners, and friends in the ministry,

We had a great month of provoking, preparing, promoting, preaching, and prospering.

Provoking: We were unable to attend due to our unexpected trip to Utah that I mentioned in our last letter, however, VBM hosted another Youth for the Gospel in Greensboro, NC. It was a great time of provoking young people to consider taking the gospel to the world. Please pray for our next one in St. Cloud, FL at Eastern Avenue Baptist Church on July 29th. Details below!

Preparing: I was able to lead missions class twice this month. We had a great time encouraging each other in the Lord and preparing for future ministry. Benjamin Broyles assisted and did a great job encouraging the students and interns. Also, Rebecca and I spent much time preparing for the July World's Cheapest Mission Trip. As well as we sent one missionary back to the field and launched the Shreve family off to Chile.

Preaching and Promoting: We had the opportunity to minister to a church in South Carolina again. It was a blessing to preach the word and see those folks again. Also, this month and through August we have a student singing group out promoting the need for world missions and the Our Generation Training Center. We had the privilege of leading one

of these time in June and I was able to preach in one of the two churches we visited. The students are doing a great job! They are representing the Lord well and encouraging young people to consider giving their life to take the greatest message of all time to the world. We are proud of them and excited about how God is using them now and will use them in the future.

Prospering: At the end of the month, we got to go to the annual Vision Baptist Missions marriage retreat. Pastor and Mrs. Herrell did a great job encouraging and helping us all with our marriages. Marriage is wonderful, however, takes work. We appreciate VBM's focus on strong marriages and for providing opportunities like this to work on ours.

Personal: As I mentioned last time, Rebecca's mom went home to be with the Lord on June 2nd. It is very hard for us to be separated from her. Although, we know we will see her again please continue to pray for Rebecca and all our family.
