Deputation Director and Church Planting Representative for Asia

August 2023

Dear Pastors, partners, and friends in the ministry,

July was another month of recruiting activities. We traveled with the Our Generation Training Center Singers (OGTC Singers), hosted a World's Cheapest Missions Trip (WCMT), and another Youth For The Gospel (YFTG).

On two different Sundays Rebecca and I led a team of singers from the OGTC. It was a lot of fun traveling with these young people as they shared encouraging songs. The team was able to promote the great need around the world, as well as how the OGTC and VBM can help equip those interested in church planting missions work.

In the middle of the month, Rebecca and I assisted in hosting a WCMT at VBM. The World's Cheapest Mission Trip is a tour around Atlanta visiting various religious sites (a Synagogue, Hindu, and Buddhist Temple, a Mosque, and a Basilica) to see the

need through many represented groups of people across the globe. We had a time of outreach on Wednesday in Atlanta and services each night with preaching from God's word showing His heart for the world. Rebecca and the other ladies did fantastic with meals and keeping things in order on campus during a very busy week. We had a great group of young people who were encouraged and challenged to have a much broader view of reaching the world. God worked in the hearts of all that came, and we are trusting God for much fruit in the future.

At the end of the month, we had another YFTG. The Youth For The Gospel continues to be a great time to go to churches across the country and share God's command and desire to reach the lost. Jim and Sandy Roberts continue to do a great job organizing these events. We were able to go and help with the event in Florida. I preached along with other preachers to show God's heart for the world. We had several young people surrender to do all they can to get the gospel to the world in their lifetime. This surrender may be going, praying, sending, or all the above. God is still working, and we are thrilled to be on the front row watching Him raise up the next generation. Your partnership allows us to do this work and is accounted to your account ~**Thank you!**
