## Deputation Director and Church Planting Representative for Asia

October 2023

Dear Pastors, partners, and friends in the ministry,

September began celebrating Rebecca's life and ended up celebrating her mom's life.

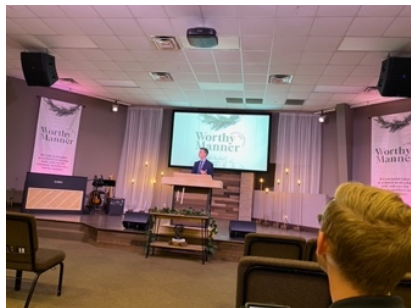

At the beginning of the month, we celebrated Rebecca's Birthday. It was a quiet celebration; however, I am so grateful for her life. She is such a blessing to me, our family, and to the ministry. I am so grateful she was born, and God made her my

helpmeet.

In the same week, it was our home church's, Vision Baptist Church, missions conference. It was a great time to focus on missions and how we at our local church can do more to reach the world with the gospel. The theme was a "Worthy Manner" which focused on the need for all to be involved. It was a blessing to hear our newest missionary

at Vision Baptist Missions present the work to Mozambique. Also, I taught in an adult Sunday School class at Vision Baptist Church and preached at the same local Chinese church in our area on Sunday. I enjoyed this, as mentioned in our last letter, as I was able to preach to the English service which is a room full of young people. It is a great opportunity to challenge them in the Word and in missions.

The semester is going well, so far. The teachers and students have settled into the routine of the semester and are in full swing. Please pray for the current students to keep their eyes on the Lord and to grow in spiritual maturity and knowledge. We had a great Advanced

Learning class mid-month on preaching. OGTC Chapel has been going great, as we have had several missionaries in town to preach and encourage the students spiritually and practically.

At the end of the month, we had the celebration of life service for my mother-in-law. I was able to preach, as we celebrated her testimony for the Lord and her wonderful life. It is hard to be separated, however we rejoice, in knowing she is better than she has ever been. While there, we were able to get a picture with several of our family members.

Please pray for the OGTC Campus Open House in November. For more information visit: <https://visionmissions.org/visit/>
