Deputation Director and Church Planting Representative for Asia

November 2023

Dear Pastors, partners, and friends in the ministry,

October was a busy month of recruiting, preaching missions, and teaching.

On the first Saturday of the month, we had another Youth for the Gospel (YFTG) up in Ohio. It was well attended, with many great speakers, and we had a great time. Several showed interest in missions and we were able to

encourage them in that interest and show them a way forward in taking the gospel to the world.

After the YFTG, I drove to Beverly, WV, for a Missions Emphasis day. I was able to preach both services and encourage the folks to get involved in getting the gospel to the world. I enjoyed the time of fellowship. On

Monday, the Pastor took me to a Pastor's Fellowship where we enjoyed good preaching, encouragement, and fellowship with a group of pastors. I was blessed to be able to tell them about the need in Asia and Vision Baptist Missions.

I filled in for a pastor mid-month near Augusta, GA, which was a blessing. I appreciated the opportunity to preach. At the end of the month, Rebecca and I went to a missions conference in Panama City, Florida. The conversations were edifying. We appreciated the opportunity to share the great need in Asia, as well as how Vision Baptist Missions can help train and partner with churches to get the gospel to the world.

Throughout the month, we continue to teach the students. I am grateful we have three interns,

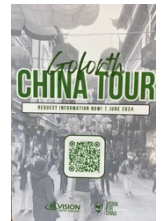

as well. I get to spend an hour a week with them. In this hour we go over books regarding

deputation, and missions. Our intern program is a great way for someone with Bible College or the equivalent in ministry experience to take the next step in Missions. Rebecca does a great

job in many areas; the picture above is her serving meals for the mission-intensive classes for the interns.

Please be praying about the China Goforth Tour coming up in June. Maybe God would have you go? If you are interested or know of someone who might be interested, please send to: <https://visionforchina.org/goforth-china-tour/goforthchinatour2024-inforequest>
