Deputation Director and Church Planting Representative for Asia

December 2023

Dear Pastors, partners, and friends in the ministry,

Greetings and Happy Thanksgiving! We love Thanksgiving, as we serve an awesome God who should be thanked and praised for His goodness. This month, we continued teaching and recruiting missionaries and welcomed a new member to our family.

In November, we continued teaching at the Our Generation Training Center (OGTC). We have a wonderful group of students who are doing great

both in and outside the classroom. We look forward to what God will do in and through them.

It was a blessing to talk with many students at Pensacola Christian College this month. We were able to talk to several who are interested in missions, encouraging them to continue their pursuit and explaining how Vision Baptist Missions can help them reach their goals after they finish college. At Mission Prayer Band we challenged the faithful

prayer warriors for missions to consider giving their life to take the gospel to the world. It is always a blessing to be on PCC campus and we appreciate the work they are doing. I was also able to go to south Atlanta and preach at a Christian school the last week of the month. It was a blessing to be with the students and share with them the great need in Asia. Two students showed interest in attending the Our Generation Training Center in the fall.

I am grateful to announce the birth of our first grandson (third grandchild): Thomas Alan Hodges was born on November 6th, to Joseph and Abigail Hodges. We are thankful for a healthy baby and momma. They are serving as missionaries in Honduras and doing a great job. Although we miss not being able to hold the little guy, we are grateful they are serving the Lord and seeing many saved in their ministry.

Please be praying about the China Goforth Tour coming up in June. Maybe God would have you go? If you are interested or know of someone who might be interested, please send to:
