## Deputation Director and Church Planting Representative for Asia

January 2024

Dear Pastors, partners, and friends in the ministry,

Greetings and Happy New Year! We continued to “Enlist and Educate” this past year by teaching at the Our Generation Training Center (OGTC), through Youth for the Gospels (YFTG), as well as visited Christian Schools and Colleges. Many have responded and we look forward to seeing what God will do.

In December, we finished another semester at the OGTC. Several students finished their classroom work and are either now on, or shortly will be on their

six-month internship working with a veteran missionary. I am excited for these students as they take this next step in

their preparation to be missionaries. It was a good finish to the semester. The rest of December was preparing for the Spring semester.

We work with a great group of people and enjoyed some time of fellowship and celebrating the birth of Jesus with them. The holidays were a busy time with outreaches and celebrations. We had some wonderful

services at Vision Baptist Church

and several of us went out on Sunday afternoons throughout the month to share the gospel. God gave us several good interactions.

On the 22<sup>nd</sup> we flew down to Honduras to be with our youngest daughter Abigail, our son-in-law Joseph, and meet our new grandson, Thomas. God truly has blessed us with our three grandchildren. We had a wonderful Christmas and New Year with them

and Joseph’s family. The ministry in Honduras started by Joseph’s parents, Sam and Julie Hodges is amazing. God is really using these two families and many others to glorify His name in Honduras. Several were saved on Christmas day and one baptized. I was grateful for the opportunity to preach at the Friday night married couple’s event.

Please be praying about the China Goforth Tour coming up in June. Maybe God would have you go? If you are interested or know of someone who might be interested, please send to:
