## Deputation Director and Church Planting Representative for Asia

February 2024

Dear Pastors, partners, and friends in the ministry,

Greetings! We began the year where we finished 2023, in Honduras, visiting family and helping in the ministry. We also began planning for the year and started the next semester of the Our Generation Training Center (OGTC).

It was a blessing to be in Honduras for the five-day youth camp and see many young people challenged to grow in the Lord and consider serving

Him with their lives. I was able to preach one of the sessions on Thursday night. I enjoyed the opportunity and Joseph, my son-in-law, did a great

job interpreting for me. As I mentioned in the last prayer letter God is using the Hodges ministry in Honduras. There were close to 300 youth at the camp and it was an incredible time, with many great sessions, and some wholesome competitions.

It was a very good trip and such a blessing to see our daughter Abbi, Joseph, and meet our grandson. We were so grateful for the opportunities and time with our family. It was very hard to leave and we miss them all very much, but we are truly thankful that they are serving our King. He is worthy and people need to know the hope of eternal life.

The beginning of the year is always a great time for planning and preparing for the coming months. We know that God is the one that provides the increase, but we sow and water, trusting Him to use us. This year we will continue enlisting and educating the next generation of missionaries. It is a privilege to serve Jesus.

On January 9<sup>th</sup>, the new semester started at the OGTC, and we have a great group of students. I am teaching the History of Missions and co-teaching Theology 2. It is a blessing as we explore the many men and women who paved the way for missions for our day. It helps the students to learn what to do and what not to do. As well, they see that many things are much better today, and some are not as easy.

Please be praying about the China Goforth Tour coming up in June. Maybe God would have you go? If you are interested or know of someone who might be interested, please send to:
