Deputation Director and Church Planting Representative for Asia

March/April 2026

Dear Pastors and friends in the ministry,

Thank you for your faithful prayers and support for our family and the ministry the Lord has entrusted to us. We are grateful for the many opportunities the Lord has given us over the past couple of months to serve, teach, recruit, and encourage others in missions.

One special blessing during February was the acceptance of new missionaries to Asia, Luke and Emily. We are thankful for the Lord continuing to raise up laborers for the harvest and are excited to see how He will use them in the days ahead. They are currently on deputation and would be a blessing to your church. If you would like to have them in, contact me, and I will forward their contact information.

This semester, I have continued teaching Old Testament History at Vision School of Missions. It has been a joy to invest in the students and help prepare them for future ministry. We are thankful for the opportunity to train young people who desire to serve the Lord around the world.

Our weekly outreach ministry on Wednesday afternoons has also continued at Utah Tech, a college of 13,000 plus

students in St George, UT. Many of the students are Mormons or unchurched, and we have had many good conversations. We appreciate

your prayers as we witness, distribute gospel literature, and speak with students about Christ. The mission field is truly all around us, and we are thankful for open doors to share the gospel.

In March, I had the opportunity to travel to Georgia for the Authentic Youth Conference hosted by Vision Baptist Church. Mike Lester did an

excellent job challenging the young people to be genuine and authentic in their walk with Christ. During the conference, I set up a table representing Vision Baptist Missions and Vision School

of Missions. I was able to have several good conversations with young people about missions and ways they could take the next step in preparing for ministry.

From there, I traveled to Pensacola Christian College and then back for Preview Day

at Vision School of Missions. Each of these trips provided valuable opportunities to recruit and challenge young people to consider serving the Lord in missions and ministry. We are praying that the Lord will continue calling laborers into His harvest.

Thank you again for your faithful partnership in prayer and support.
