Deputation Director and Church Planting Representative for Asia

July/August 2026

Dear Pastors and friends in the ministry,

We are thankful for the opportunity to serve the Lord through Vision Baptist Missions and Vision School of Missions. The summer months of July and August have been busy, but they have also provided many opportunities to see the Lord working. We are grateful for your prayers and faithful support as we continue to serve Him.

The World's Cheapest Missions Trip (WCMT)

A major focus during July has been preparing for the WCMT. Unfortunately, I was unable to go on the trip this year, but I was still involved in the preparation and organization. One of my primary responsibilities was helping prepare and organize the visits to the various religious sites that the group would

encounter. These details may seem small, but they are important in helping the participants understand the religious beliefs and practices they are seeing and, ultimately, helping them develop a greater burden for people who need the Gospel. ***Please pray for those who participated in the World's Cheapest Missions Trip. Pray that what they saw and experienced will give them a greater burden for lost souls and a greater desire to take the Gospel to the world.***

Preparing for a New Semester

A significant part of my time during July and August has been devoted to my administrative responsibilities at Vision School of Missions. Specifically, researching new software for the school, which will help us better manage our students, records, classes, and other administrative responsibilities. Unfortunately, we were unable to implement this year; however, trust we will next year. There has also been a great deal of preparation for the beginning of a new semester. I have been helping our interns get ready to go to their various places of service and working through the many details involved in getting the school ready for another year of training men and women for ministry. Much of this work happens behind the scenes, but it is important work. We desire to provide our students with a quality education while, more importantly,

helping prepare them to serve the Lord and reach people with the Gospel. ***Please pray for the students and interns as they begin this new season of ministry and training. Pray that God will use their time here to equip them for a lifetime of service.***

A Special Family Visit

One of the highlights of our summer was having family come to visit us.

Joseph and Abigail, along with our grandchildren Tommy and Amy, were able to spend some time with us. Ty's mom was able to come for a couple of days, which was a blessing.

We are always thankful for opportunities to spend time together as a family, and having the grandchildren with us made the visit especially enjoyable. Ministry keeps us busy, so these times together are a wonderful reminder of the blessings God has given us through family.

We are thankful for these memories and for the opportunity to enjoy time together.

Thank you again for your faithful partnership in prayer and support. We are grateful to labor together with you for the cause of Christ.

Praises and Prayer Requests

- Praise God for all our faithful partners in the ministry
- Praise the Lord; all the interns raised their support!
- Pray for more laborers
- Pray for all those currently on deputation
- Pray for the VSM students as they start the semester.

Sincerely in Christ,

Ty and Rebecca Pepperdine
